

NECKWARMER WITH LOOP

A chic and simple use for that one gorgeous skein of bulky yarn.

Materials:

About 100 yd of a bulky yarn, size 11 needle, large button, large-eyed yarn needle. Model took 1 skein of Punta Yarns' "Meritwist".

Instructions:

Cast on 22 stitches. Work in k2, p2 rib for about 28" or until about 3 yds of yarn remain. Bind off 10 st at beginning of next 2 rows. The 2 center stitches remain. Work stockinette st (knit 1 row, purl 1 row) on these 2 st for 4 inches. Knit 2 together, then cut yarn to 12" length and pull end through last st to finish off. Thread this same yarn end through large-eyed needle and sew button to scarf about 4" above bound-off edge. Weave in end under button. To wear, pull cast-on end through loop.
